

November Bible Corner

November is a time to count our blessings. And that's just what we will be doing in Bible story.

We will hear the story of the loaves and fish. How did Jesus turn 5 loaves of bread and 2 fish into enough to feed thousands? We will talk about the foods from Jesus's time versus what kids eat today.

The following week we will count our blessings. We will read two secular books - "I Am Blessed" and "Bless This Mouse". We will talk about how blessed we are and decorate our Bible story bulletin board with a Cornucopia of Gratefulness.

Thanksgiving week we will read Thanksgiving stories and continue counting our blessings

We will begin our Christmas story season the following week with the Angel's visit to Mary. What an exciting time! We will begin our celebration practices in the Sanctuary as well.

Have a Blessed Thanksgiving,

Lauren Hassan
