

## March Bible Story Corner

We continued to emphasize love and kindness in our February Bible story. The more love you put out into the world, the more will be given back. We also shared a nice Sanctuary visit together as a large group.

This month, we will start off with the story of the Lost Sheep. The Shepherd had 100 sheep, but one night, he could only find ninety-nine. He searched and searched for the lost sheep and never gave up. We are just as important to God and he will never give up on us. We will search for our own lost sheep and see what we find along the way.

Our next week will find us hearing about Hermie the Common Caterpillar, a Max Lucado story. Hermie is just a boring caterpillar who doesn't have all the different things that the other characters he meets does - or so he thinks. God has made him special in his own way, just as God makes all of us special too. Sometimes it just takes a little longer to discover your gifts.

In our last two weeks and into April, we will be discussing Jesus and the Easter story. First we will learn how Jesus chose his disciples. Then, we will reenact Palm Sunday. We will go to the Sanctuary and the children will have felt pieces to help tell the story. We will wave felt palms and lay down felt coats for Jesus to pass by.

Here's hoping Spring joins us soon,
