

THANKFUL TURKEYS

November Bible Story Corner

We rounded out October with a fun Jonah and the Big Fish story. We read from The Children's Bible, watched a Veggie Tales Jonah song/video and everyone got a chance to have the big fish swallow Jonah using a cup and string to make a pulley into the fish's mouth. The more the children can be actively involved in the story, the more they remember.

We will spend November talking about feeding/helping others and learning to be thankful and grateful for what we have.

Week 1 will have us meeting two little mice - Sam and Sophie. Sam and Sophie learn about being grateful and saying yes to thanking God. We will talk about all that we have to be grateful for and make our Thankful Turkeys bulletin board.

Our next story is about the loaves and the fish. How did Jesus turn 5 loaves of bread and 2 fish into enough to feed thousands? Why did he choose to help the people even though he was tired and hungry himself? We will also talk about the foods from Jesus's time versus what kids eat today.

We will also read secular Thanksgiving stories, a Thank You Prayer and discuss our favorite Thanksgiving foods.

After Thanksgiving, we will start learning about the Christmas story.

Have a wonderful and grateful Thanksgiving!

Lauren Hassan
