

December Bible Story Newsletter

It's my favorite time of the year - both at home and at work! The pure joy of the children when we talk about Christmas or sing at Celebration is immeasurable.

We will start the month with the story of the Nativity. We will retell the story on our flannel board and talk about the true meaning of Christmas. We will also hear a song about how helping others is in the spirit of the season. We will also be practicing for Celebration.

I will be bringing in some of mine and my children's favorite Christmas stories to share with the class as well. We will continue to talk about the birth of Jesus and all the wonderful parts of Christmas.

I wish you a blessed and peaceful holiday season!
