

## September Bible Story Corner

Welcome back to another great school year at Joyful Noise. I am very excited to be the full time Bible story teacher this year. I look forward to seeing many familiar faces and meeting our new students. We will be busy learning about God's love for us and Jesus's life throughout the year.

Our first full week of school, I will introduce the children to the Bible room, get to know them and let them get to know me. We will read stories and discuss how God's love will never leave us.

During our second week, we will hear the story of Jonah and the Whale. How did Jonah wind up in that whale and what was that like? Ask your children to find out. We may act out parts of the story as well.

Looking forward to an amazing year,
