

Dear Parents,

Our reading program this year is called R.E.D.; Read Every Day. We will be starting our read aloud program on Tuesday, March 5th. To kick off our program, I'm asking parents to dress your child in red and fill out the Read Every Day form. For every 5 books you read to your child, they can add a red dot to our bulletin board. With this being Joyful Noise's 50th anniversary, we are asking parents to help us improve our library by participating in our library fundraiser. Please help us bring the love of reading to your child and the other children of Joyful Noise by purchasing a new book off of the teacher's wish list or giving a monetary donation.

- I will purchase a new book from the wish list
- I will make a monetary donation of
 - \$10
 - \$25
 - \$_____
