

Joyful Noise Awarded Golden Acorn Award

Joyful Noise was recently awarded the *Golden Acorn Award* for "exemplary quality in preschool education" by Preschool Advantage, a "non-profit organization with the vision that all children should have access to high quality early education."

Joyful Noise was one of five local schools recognized by Preschool Advantage which stated, "This year the preschool Advantage School Committee wanted to formally define quality preschool with the Golden Acorn Award. The Golden Acorn Award is based on five points of quality in preschool education: teacher and child interaction, curriculum, family involvement, staff qualifications and professional development, and management of the school."

Thank you Preschool Advantage for this recognition and for the work you do providing scholarships to children, in families that demonstrate a commitment to education and financial need!
