

Greetings, **Joyful Noise** Parents!

## **Introducing Spring 2021 Joyful Noise School Photos Fundraiser!**

### **What?**

Every child at Joyful Noise will be photographed for their pre-school/daycare photos this spring! You will receive a notification as to which date your child's picture will be taken (by class).

### **When?**

During your child's school day on either Thursday, April 29, or Tuesday, May 4, 2021 (raindates are Tuesday, May 11, and Thursday, May 13)

### **Where?**

Outdoors within the grounds of **Joyful Noise**/Church

### **Why?**

To provide an opportunity to capture your child (and siblings!) marking this school year at **Joyful Noise!**

### **How?**

No need to sign up. All childrens' photos will be taken. The photo shoot will commence with strict observation of COVID guidelines. The photographer will be more than 6 feet away, wearing a mask at all times. Picture taking, image proofing, ordering, payment, and delivery of images and prints are completely contact-free.

### **What photo package options are available?**

There are five (5) packages available with print and/or digital image options that should suit any need. Package pricing varies between \$20-\$99+tax (see price sheet for package and pricing details). Any digital image purchases may be used for printing through your own vendor, social media, family photo book, etc. Prints will arrive directly from the lab to your home (or whomever you would like them sent to). Any digital images ordered will be released for download upon payment via the link provided by the photographer. If you opt to have any of your orders retouched, the retouch work will be done PRIOR to images being sent to print and/or downloaded.

**How do I request my children be photographed together?**

No need. Siblings will be photographed together at some point during the scheduled photo shoot.

**Are there any add-ons available?**

Yes, there are two add-on options: Professional Retouching (stray hair/blemish/lint/eyeglass glare removal) and an option to purchase a digital frame, which will be completely customized per your instructions. The styles to choose from will be included in the school gallery. Should you choose a digital frame add-on, both the image AND the image+frame are included.

**Do I have to make a purchase?**

No, there is no obligation to make a purchase. You may make your purchasing decision AFTER viewing your child's photos. If you do make a purchase, however, a portion of the proceeds will go directly to **Joyful Noise**. Purchases must be made within the order window to qualify for *fundraiser pricing*.

**What else do I need to know?**

Once the school images are ready for proofing, the photographer will send a gallery link to the **Joyful Noise** office, which will be forwarded to parents (to preserve parent privacy). Specific ordering information will be included in the email.
